

La Jolla Elementary In Partnership with Rendezvous Science Center

"Exposing the youth of today to the growing scientific innovations of tomorrow".

After School Science Enrichment Program

We love learning about science at La Jolla Elementary School! We recently formed a partnership with Rendezvous Science Center in La Jolla. We are currently working with them to bring our students more science opportunities at our school.

We are going to begin by offering an after school science enrichment program to all students in grades K-5. It will be offered on Tuesdays for all grades K-5. Our La Jolla Elementary teachers at each grade level will work with students on carefully chosen science topics and activities that will expand and enrich the regular curriculum taught in our science program. It will be taught as our science program is taught with hands on exploration and an inquiry-based approach.

Please call the school office if you would like more information about the program.

Topic: **Tree Homes** -- Grade: **1**

This unit encourages appreciation for trees and for the animals that live in tree homes. The unit is designed to stimulate children's interest in the world around them and in the biological need for warmth and shelter. It introduces different parenting and nesting strategies, and compares the characteristics and behaviors of various tree-home animals. In six main activities, students become familiar with a living tree and then build a child-size tree from cardboard boxes, paper, and cardboard tubes. They make paper models of raccoons and owls, and the class role-plays tree-home dramas about raccoons, a mother bear and her cubs, and a family of owls. Math concepts of sorting/classifying and measurement are emphasized throughout.

The dates for this cycle are:

Tuesdays:

February – 09, 16, 23
March – 02, 09

Fees:

\$75.00 - Each Cycle (Five Sessions)
This is per child enrolled.

**A snack and recess is provided from 3:35 – 4:00 p.m.
The program will run from 4:00 – 5:00 p.m.**

La Jolla Elementary | Rendezvous Science Center – *"Exposing the youth of today to the growing scientific innovations of tomorrow"*

I would like to enroll my child(ren) in the After School Science Enrichment Program for the fourth cycle.

Student's Name _____ Grade: _____

Student's Name _____ Grade: _____

Student's Name _____ Grade: _____

Signature: _____ Date: _____

Please enclose a check or money order made out to San Diego Unified School District for the fifth cycle. \$75 for one day each week (\$15.00 per session).

***Please be advised that there are no refunds for unattended sessions.**
