

# La Jolla Elementary In Partnership with Rendezvous Science Center

*"Exposing the youth of today to the growing scientific innovations of tomorrow".*

## After School Science Enrichment Program

We love learning about science at La Jolla Elementary School! We recently formed a partnership with Rendezvous Science Center in La Jolla. We are currently working with them to bring our students more science opportunities at our school.

We are going to begin by offering an after school science enrichment program to all students in grades K-5. It will be offered on Tuesdays for all grades K-5. Our La Jolla Elementary teachers at each grade level will work with students on carefully chosen science topics and activities that will expand and enrich the regular curriculum taught in our science program. It will be taught as our science program is taught with hands on exploration and an inquiry-based approach.

Please call the school office if you would like more information about the program.

Topic: **Buzzing A Hive** -- Grade: **2**

Studying this beautiful, beneficial social insect could absorb the rest of our lives—if only there were time. In this extensive and fascinating unit, young students get a good introduction to the honeybee's extravagant communication system and intricate behavior, and an appreciation for our interdependence with these and all insects. In a series of guided-discovery activities that build on one another, the children make paper bees to learn about bee body structure; act as bees in a beehive drama, taking the parts of guard bees and other role-players in the hive; perform bee dances to learn how bees communicate directions; and learn about bee predators and honey robbers.

The dates for this cycle are:

Tuesdays:

February – 09, 16, 23

March – 02, 09

Fees:

\$75.00 - Each Cycle (Five Sessions)

This is per child enrolled.

**A snack and recess is provided from 3:35 – 4:00 p.m.**

**The program will run from 4:00 – 5:00 p.m.**

La Jolla Elementary | Rendezvous Science Center – *"Exposing the youth of today to the growing scientific innovations of tomorrow"*

I would like to enroll my child(ren) in the After School Science Enrichment Program for the fourth cycle.

Student's Name \_\_\_\_\_ Grade: \_\_\_\_\_

Student's Name \_\_\_\_\_ Grade: \_\_\_\_\_

Student's Name \_\_\_\_\_ Grade: \_\_\_\_\_

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Please enclose a check or money order made out to San Diego Unified School District for the fourth cycle. \$75 for one day each week (\$15.00 per session).

**\*Please be advised that there are no refunds for unattended sessions.**
