

# Play-Well **TEK**nologies

## Engineering **FUN**damentals with **LEGO**<sup>®</sup> at La Jolla Elementary!

Wednesdays from 1:05pm – 2:35pm (90 minutes)

Dates: Jan 4<sup>th</sup> – Feb 22<sup>nd</sup> (8 weeks)

Location: TBA

Grades: 2<sup>nd</sup> – 5<sup>th</sup> Grades

Class Fee: \$133 (Includes \$5 donation to LJE)

Class Size: 11 min., 17 max.

### Course Description

Do you like building things? Design and build motorized machines, catapults, pyramids, demolition derby cars, buildings and other constructions out of LEGO<sup>®</sup> bricks. While exploring engineering, architecture and physics, students will develop problem solving and critical thinking skills. Returning students and advanced students are given advanced projects/challenges that build on previous projects and concepts.

## Play-Well **TEK**nologies

Teaching  
Engineering to  
Kids

### ABOUT PLAY-WELL

Play-Well **TEK**nologies provides programs designed to teach principles and methods of engineering, architecture, and science to kids ages 5 & up, using LEGO<sup>®</sup> building materials!

### Payment and Enrollment

All registration will be done by credit card online at our website:

**[www.play-well.org](http://www.play-well.org)**

Click on “Find a Class” to find your school.

*Class size is limited and enrollment is on a first come first served basis. All materials will be provided.*

*Refunds only issued prior to first class.*

### Contact Play-Well
