

Dear Room Parent Volunteers,

Thank you so much for volunteering to be the room parent in your child's classroom. You are the means that the PTO has to help the teachers and to communicate with the parents. If there is ever a time that you need something please let us know, as we are here to help and support you. On this website you will find everything you need to make it easier for you to assist your teacher. We realize how much time and effort this job takes and are grateful that you chose to do it.

We are here to help you,

Sally Martin, Room Parent Coordinator
