Sing 'n Speak Spanish® makes learning conversational Spanish easy and fun. It carries high educational goals but is playful – with songs, humor, lots of visuals, interactive puppetry, games, role-playing, and a strong emphasis on the use of vocabulary in conversation. Elementary school children are at their linguistic best. There is no better time to lay the foundation for advanced learning and fluency.

Continually developed and refined, *Sing 'n Speak Spanish* is a multi-level curriculum that has been taught in more than 80 elementary schools to over 7,000 students since 1998. To learn more about us, go to www.singspeak.com.

Classes meet weekly before school throughout the school year with a maximum of just 12 children per class. Tuition includes a music CD with a companion songbook and a workbook to keep Spanish learning fun for children throughout the week and reinforce vocabulary at home.
